

Pre-Health Path

There are many paths toward a health professions degree, and you can use this as general guideline of things to keep in mind as you progress in your time at UVA. Make sure you meet with a Pre-Health Advisor consistently to create and stay on the path that is right for you!

KEY

- Academic
- Career
- Personal

Pro Tip
Make sure you sign up for the Pre-Health Pulse for the latest information and updates!

Did You Know?
Most students don't go directly to health professions school after undergrad. 81% of accepted UVA applicants in 2019-2021 M.D. admissions cycles took 1 or more bridge years.
